## PRESS RELEASE. November 2024

The Royal Tunbridge Wells Orpheus Male Voice Choir is pleased to announce the appointment of our new patron, Mike Martin MP,

Mike Martin is the Liberal Democrat Member of Parliament for Tunbridge Wells.

Before politics, Mike was a British army officer and a senior executive in a global charity working to bring different people and organisations together to solve problems.

He sits on the House of Commons Defence Select Committee and is a member of the Joint Committee on National Security Strategy. Mike is also a Senior War Studies Fellow at King's College London, and the author of several books on conflict.

In Tunbridge Wells, Mike is campaigning to improve the town centre, deliver affordable housing with the necessary infrastructure, and to improve access to GPs.

The choir is looking forward to a long and successful association with Mike, whose experience will be invaluable. Mike joins current Patron, David Fawcett, of "Beyond The Barricade".

Mike joined the choir at a recent rehearsal in St Peter's Church to meet members and hear us preparing for our annual concert in aid of Hospice in the Weald
